

PLATI 514

CERAMIC BASIN

Wall basin or Above counter basin, rectangular

The square lines of this basin create a modern architectural look. The narrow design is perfect for compact spaces.

All sides are glazed and there are blind fixing holes on each long side, designed to simplify wallmount installation.

All sides of the basin are glazed. The basin can be positioned with the tap platform on the right or left.

The overflow is located opposite the tap platform.

There are blind fixing holes on each long side for wallmount installation.

ORDER CODE	191492	Plati 514, 1 taphole	Old code: SBC-514B
	191493	Plati 514, no taphole	Old code: SBC-514B-OT

TAPHOLE 0 or 1 taphole.

WASTE Suits 32 mm waste.

TRAP Wall basin can be used with bottle trap, subject to local licensing authorities.

CAPACITY 4.5 litres.

OVERFLOW Basin has overflow (located opposite tap platform).

MATERIAL White vitreous china.

WALL FIXING Basic wall fixing kit supplied for wall installation. This basin has blind fixing holes on each long side that can be punched out using a hammer and hole punch. This enables the basin to be installed with the tap platform on either the right or left.

NOTE IF WALL MOUNTING
This basin has 'blind' fixing holes on each long side of the basin that can be punched out using a hammer and hole punch. This enables the basin to be installed with the platform on either the right or left.

 Basin has integrated overflow
