Order Procedure for Supply or Install and Measure

1. Shop informs the client of the conditions (to be signed off) as per form over page.
2. Customer circles desired order options above.
3. Supply Only
 - a. All walls need to be measured at two heights, shoulder height and ankle height to ensure the walls are true and plumb. This information is a must, and has to be provided to ensure correct screen suitability.
 - b. Bella Vista will confirm glass to be supplied for customer ordering screen via diagram to be signed off.
 - c. Screen will be delivered into store ordered from.
4. Install and Measure
 - a. Shop faxes or emails Bella Vista with the PO with client details including address and contact number, along with signed off form.
 - b. Bella Vista will schedule installer to job and installer will make contact within approximately 48 hours.
 - c. Installer arranges time to measure site with client.
 - d. Installer reports back to Bella Vista with the sizes and any issues. Ordering store will be contacted in relation to any issues. If no issues, job will proceed directly to install.
 - e. Bella Vista will then book the job and have the installer complete the work.
 - f. Customer signs of completed release form for job.
